Thank you, dear Sune, for honoring Bornholm's culinary soul with *Måd*. Rooted in generations of island tradition, his book brings the flavors of Bornholm to life with both reverence and renewal. With warmth and wit, each page reflects a deep respect for local heritage and a sincere celebration of Bornholm's extraordinary role in shaping Denmark's food culture. *Måd* is more than a cookbook—it is a living tribute to the past, a dialogue with the present, and a gift for all who love the island and its food.
